

Fortimo LED SLM gen 7

Fortimo SLM C 930 1203 L09 1619 G7

Fortimo LED SLM range provides a fantastic color experience with deep color saturation, natural white tones and color consistence. What is more, the deep saturation of reds (R9), lives up to todays requirements in retail lighting. For high efficient applications also CRI >70 and CRI >80 are available with the same form factor and driver compatibility.
